

How You Can Help All As One

“Children Caring About Children” and “4-Dirhams-A-Day”

The All As One Children's Center, an orphanage in Sierra Leone, West Africa, would like to invite parents, teachers and students to participate in our “Children Caring About Children” project through the “4-Dirhams-A-Day” programme.

Our “4-Dirhams-A-Day” programme is a drive to secure individuals, families, classrooms and clubs to donate 120 dhs per month to help with our ongoing expenses of the Children's Center. The money donated will help to provide much-needed food, shelter, basic education, clothing and medical care for the children. Students will receive photos and introductions to many of the children they are helping, as well as receiving regular updates from the Children's Center.

This is a wonderful opportunity for students to help build a future for the children of Sierra Leone. Through these sponsorships, students will have the opportunity to experience social responsibility and concern for their peers across the globe. They will be presented with valuable opportunities for character growth and development on many different levels, while fostering new friendships and learning about another beautiful and rich culture. And in a time when advertisements for the latest toys and gadgets are bombarding children, this will provide an awareness of those less fortunate, as well as a chance to practice generosity.

To join us in making a difference, please fill in the attached sponsorship form. Feel free to photocopy this form to share with others. To make a secure online donation, log on to www.aaodubai.org/donation.php. If you prefer to make a donation by cash or cheque, please contact info@aaodubai.org.
